The layout is similar to the previous interface, with a header bar showing "Monday 02/03/24" and "6.00PM", a user profile icon "Ganguli Pehara", and a settings icon. The navigation bar includes "Place order" (blue), "Table reservstion" (blue), "Loyalty Registration" (blue), "VIP room booking" (orange, currently selected), and "Home" (blue). The main content area has input fields for "Customer Telephone No:", "Date", "Customer name", "Time", "Customer address", "No of guests", and "Notes". To the right of these inputs is a "Check Availability" section. Below it, there are two large image cards for VIP rooms. The first card, "VIP ROOM 1", features a green overlay with the text "VIP ROOM 1", "RS.1500.00 Per hour.", and "(seating capacity 10 max persons.)". The second card, "VIP ROOM 2", shows a different room setup and has the text "VIP ROOM 2", "RS.2000.00 Per hour.", and "(seating capacity 15 max persons.)". At the bottom left is an "Reserve" button.

Interface Name: Rider availability interface

Description: This is the interface where cashier can check the availability of the rider.

The screenshot shows a dashboard with two main sections: "Pending delivery orders" and "Delivered delivery orders". The "Pending delivery orders" section displays a table with columns: Order ID, Customer Name, Customer Tel No., Rider Name, Rider Address, Order Status, and Order Create. The "Delivered delivery orders" section also displays a similar table. On the right side, a modal window titled "Rider Availability" is open. It contains two dropdown menus: "All Riders" and "Status", and an "Update" button. A red "Logout" button is located at the bottom right of the main dashboard area.

Interface Number: 53

Interface Name: Rider availability interface

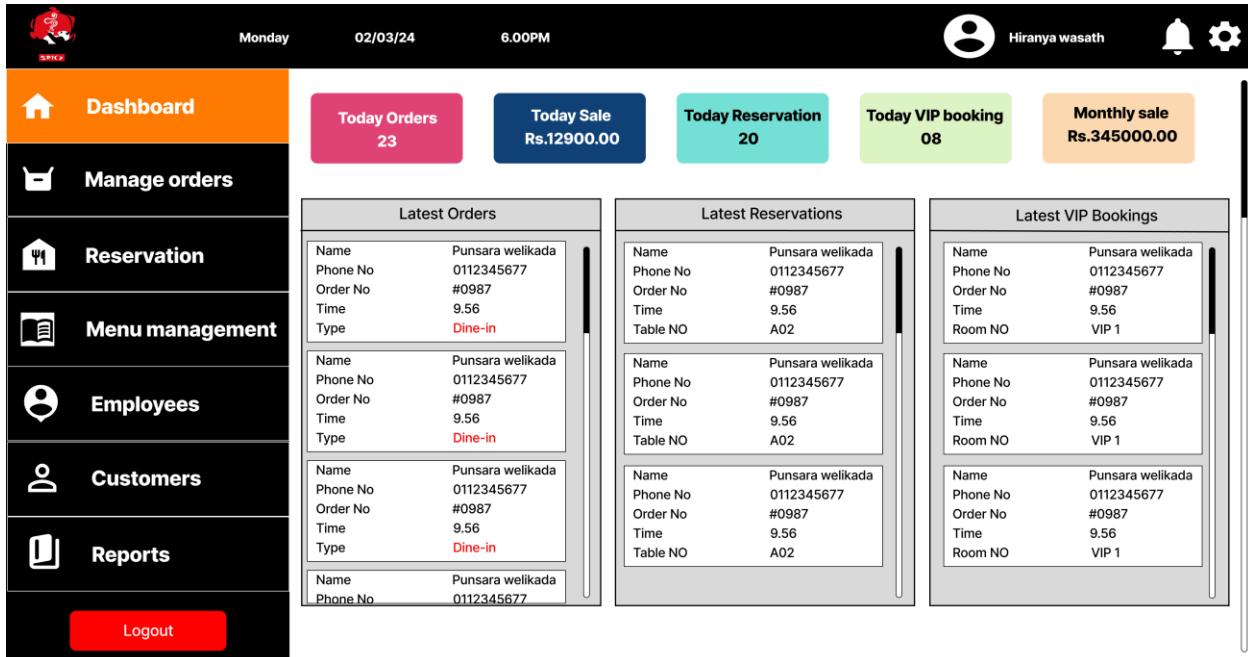

Description: This is the interface where cashier can check the availability of the rider.

The screenshot shows a dashboard with two main sections: "Pending delivery orders" and "Delivered delivery orders". The "Pending delivery orders" section displays a table with columns: Order ID, Customer Name, Customer Tel No., Rider Name, Rider Address, Order Status, and Order Create. The first row of the table is highlighted with a green background. On the right side, a modal window titled "Delay Notice" is open. It contains a text area labeled "Delay Notice" and an "Send SMS" button. A red "Logout" button is located at the bottom right of the main dashboard area.

Interface Number: 54

Interface Name: Manager dashboard interface.

Description: This is the dashboard of the manager.

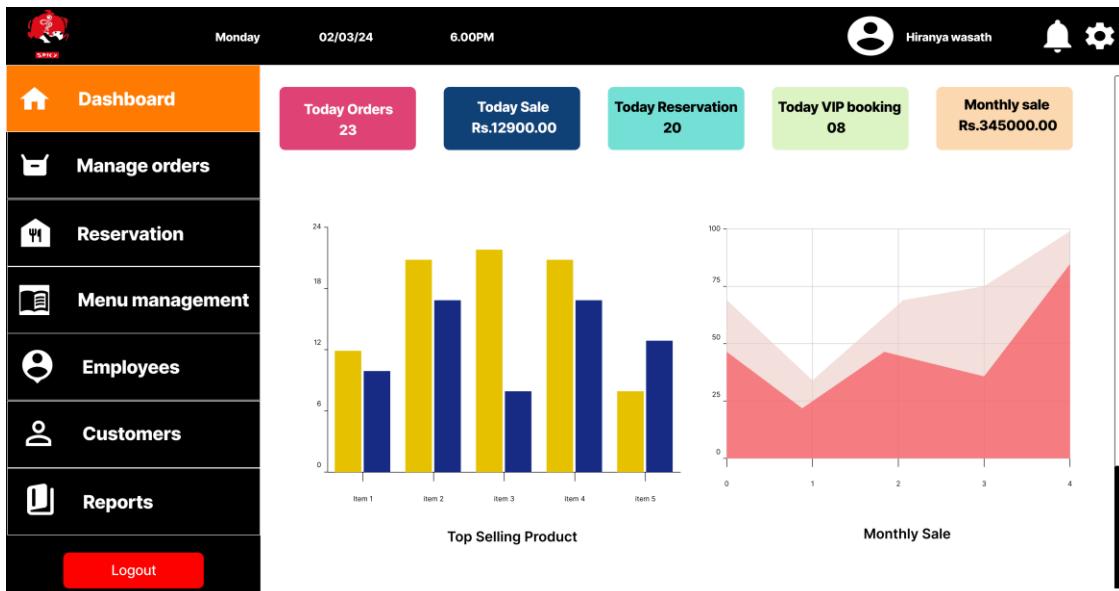

The dashboard features a top header with the date "Monday 02/03/24" and time "6.00PM". On the right, there's a user profile icon for "Hiranya wasath" and icons for notifications and settings. Below the header, a sidebar on the left lists navigation options: Dashboard, Manage orders, Reservation, Menu management, Employees, Customers, and Reports, each with a corresponding icon. A red "Logout" button is at the bottom of the sidebar. The main area contains five summary boxes: "Today Orders 23" (pink), "Today Sale Rs.12900.00" (dark blue), "Today Reservation 20" (teal), "Today VIP booking 08" (light green), and "Monthly sale Rs.345000.00" (orange). To the right of these are three tables showing latest data: "Latest Orders", "Latest Reservations", and "Latest VIP Bookings", each displaying five entries with columns for Name, Phone No, Order No, Time, and Type/Room NO.

Interface Number: 55

Interface Name: Manager dashboard interface.

Description: This is the dashboard of the manager.

This version of the dashboard includes two charts in the main content area. The first chart, titled "Top Selling Product", is a bar chart with yellow bars representing sales volume for five items. The second chart, titled "Monthly Sale", is a line graph with a shaded area representing monthly sales over four periods. The sidebar and header are identical to Interface Number 54.

Interface Number: 58

Interface Name: Manage employee interface

Description: This is the interface where the manager can add, update and delete employees

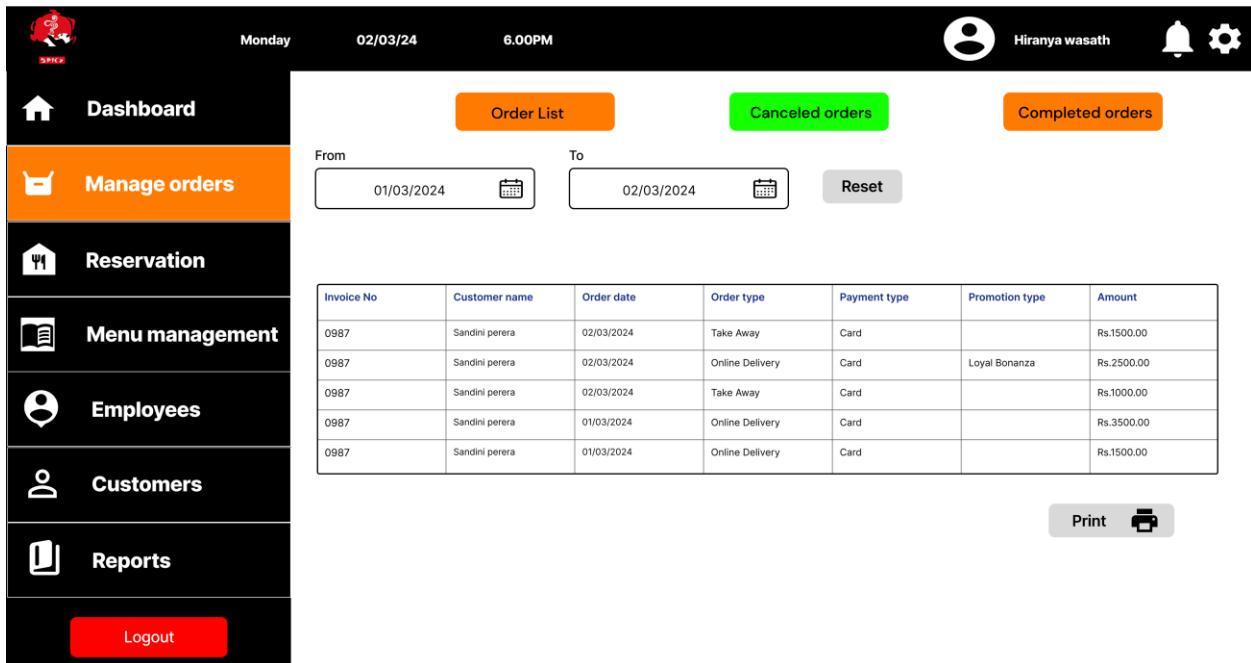

The screenshot shows a user interface for managing employees. On the left is a sidebar with icons for Dashboard, Manage orders, Reservation, Menu management, Employees (highlighted in orange), Customers, and Reports. The main area has a header showing Monday, 02/03/24, 6.00PM, and a user profile for Hiranya wasath. It includes sections for 'Employee List' (with fields for Employee ID, Telephone number, First name, Position, Last name, Rider dropdown, Date of birth, Age, Employee Address, Street Number, City, and Password) and 'Add Employee' (with fields for Rider Type, Availability, Shift start time, Shift end time, and a placeholder for a profile picture with an 'Upload' button). At the bottom are Save, Update, and Delete buttons.

Interface Number: 58

Interface Name : Cancelled orders interface

Description : This is the interface where the manager can view the cancelled orders in the outlet.

The screenshot shows a user interface for viewing cancelled orders. The sidebar includes icons for Dashboard, Manage orders (highlighted in orange), Reservation, Menu management, Employees, Customers, and Reports. The main area has a header showing Monday, 02/03/24, 6.00PM, and a user profile for Hiranya wasath. It features tabs for Order List, Canceled orders (highlighted in green), and Completed orders. Below these are date range inputs for 'From' (01/03/2024) and 'To' (02/03/2024), and a Reset button. A table lists cancelled orders with columns: Invoice No, Customer name, Order date, Order type, Payment type, Promotion type, and Amount. The table data is as follows:

Invoice No	Customer name	Order date	Order type	Payment type	Promotion type	Amount
0987	Sandini perera	02/03/2024	Take Away	Card		Rs.1500.00
0987	Sandini perera	02/03/2024	Online Delivery	Card	Loyal Bonanza	Rs.2500.00

Interface Number: 63

Interface Name : Completed orders interface.

Description : This is the interface where the manager can view completed orders.

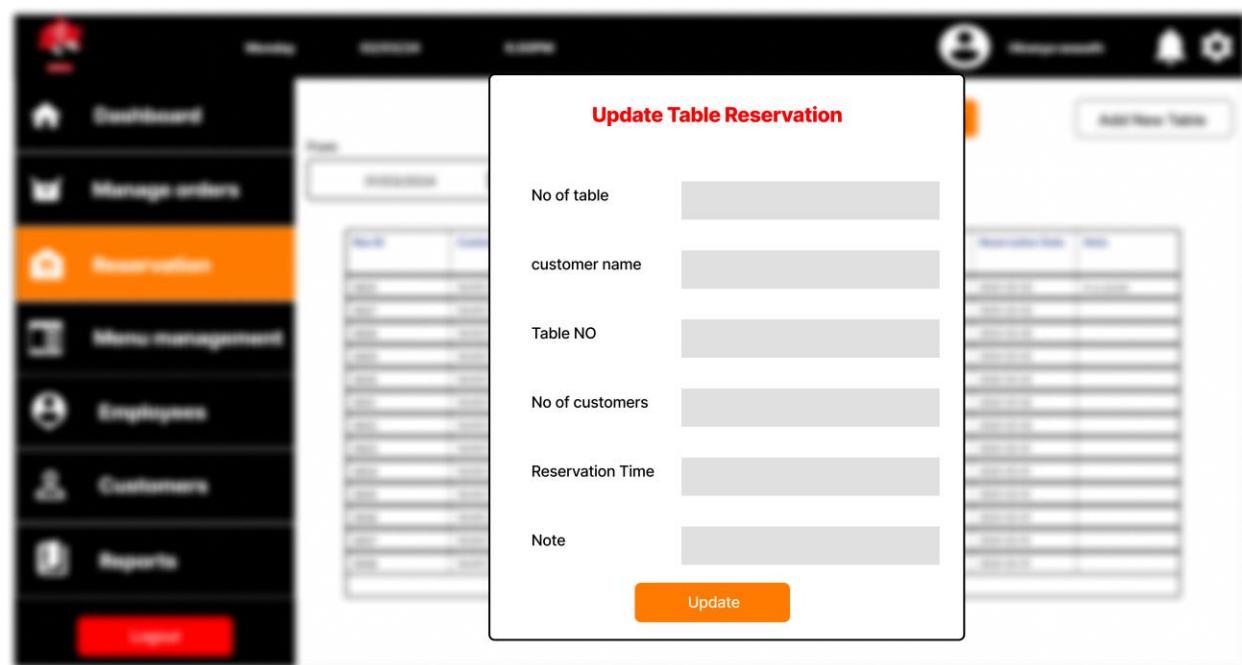

The screenshot shows a mobile application interface for managing completed orders. At the top, there is a header bar with the date "Monday 02/03/24" and time "6.00PM". On the right side of the header are icons for user profile ("Hiranya wasath"), notifications, and settings. Below the header is a navigation menu on the left with options: Dashboard (selected), Manage orders, Reservation, Menu management, Employees, Customers, Reports, and Logout. The main content area has three tabs at the top: "Order List" (orange), "Canceled orders" (white), and "Completed orders" (green, selected). Below these tabs are two input fields: "From" set to "01/03/2024" and "To" set to "02/03/2024", followed by a "Reset" button and a search bar with a magnifying glass icon. The central part of the screen displays a table of completed orders with the following columns: Invoice NO, Customer name, Order Type, Promotion, Order Total, Order date, and Payment type. The table contains 14 rows of data. At the bottom right of the main content area are "Print" and "Print" icons.

Interface Number: 64

Interface Name : Update reservation interface.

Description : This is the interface where the manager can update reservation details.

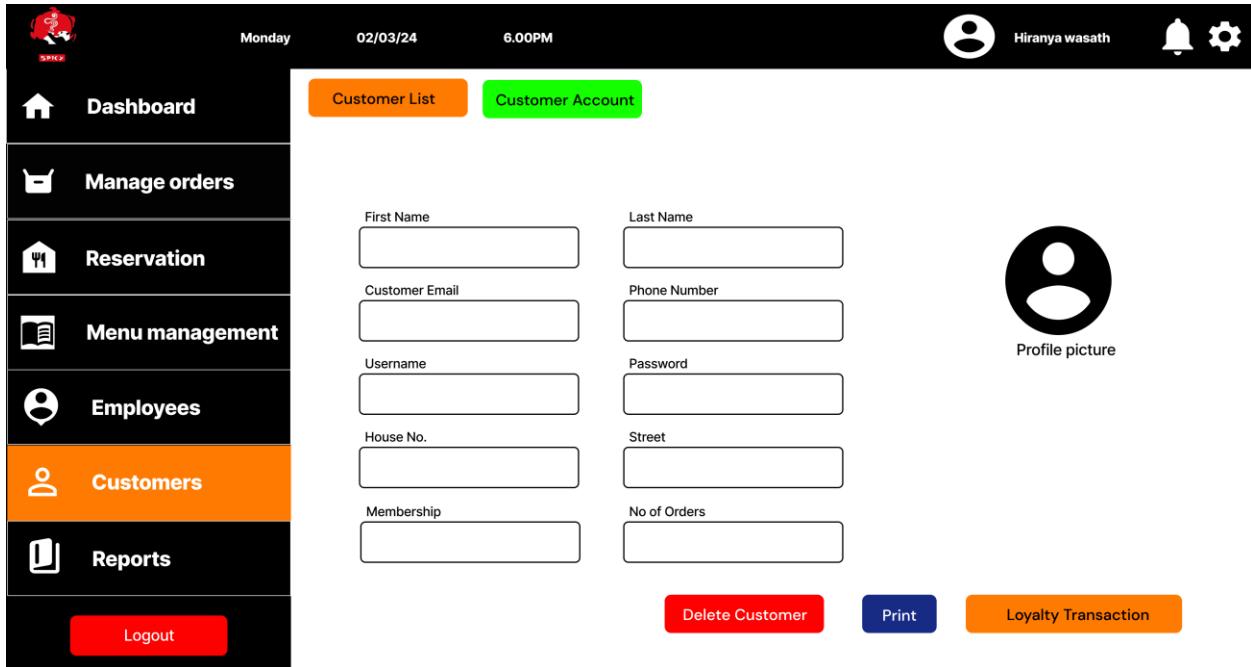

The screenshot shows a mobile application interface for updating a table reservation. On the left is a vertical navigation menu with options: Dashboard, Manage orders, Reservation (selected), Menu management, Employees, Customers, and Reports, along with a Logout button. The main content area features a modal dialog titled "Update Table Reservation". Inside the dialog, there are six input fields with labels: "No of table", "customer name", "Table NO", "No of customers", "Reservation Time", and "Note". At the bottom of the dialog is an "Update" button. In the background, there is a blurred view of the reservation list table from the previous interface.

Interface Number: 65

Interface Name : View customer account interface.

Description : This is the interface where manager can view the customer account.

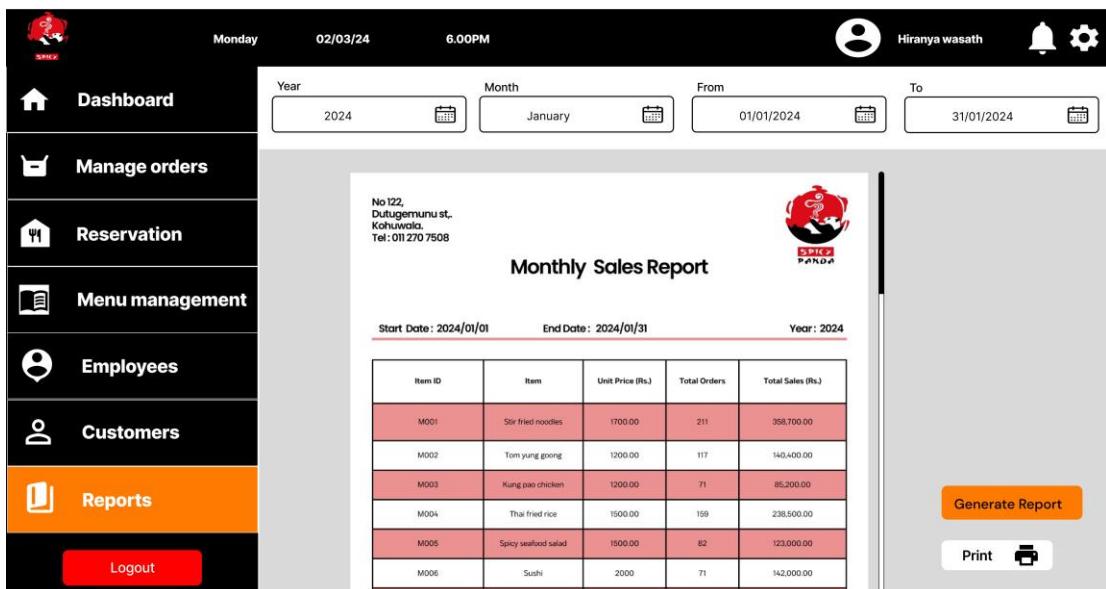

The screenshot shows a user interface for managing customer accounts. On the left is a vertical sidebar with icons and labels: Dashboard (home), Manage orders (receipt), Reservation (house), Menu management (book), Employees (person), Customers (person), and Reports (document). The 'Customers' option is highlighted with an orange background. At the top center, the date is Monday, 02/03/24, and the time is 6.00PM. On the right, there's a profile picture placeholder for Hiranya wasath, and notification and settings icons. Below the sidebar, there are two tabs: 'Customer List' (orange) and 'Customer Account' (green, currently active). The main area contains input fields for First Name, Last Name, Customer Email, Phone Number, Username, Password, House No., Street, Membership, and No of Orders. To the right of these fields is a large circular profile picture placeholder with the text 'Profile picture'. At the bottom are three buttons: 'Delete Customer' (red), 'Print' (blue), and 'Loyalty Transaction' (orange).

Interface Number: 66

Interface Name : Generate report interface

Description : This is the interface where the manager can generate reports.

The screenshot shows a report generation interface. The left sidebar includes the same menu items as the previous interface: Dashboard, Manage orders, Reservation, Menu management, Employees, Customers, and Reports. The 'Reports' item is highlighted with an orange background. The top bar shows the date as Monday, 02/03/24, and the time as 6.00PM. On the right, there are four input fields for 'Year' (2024), 'Month' (January), 'From' (01/01/2024), and 'To' (31/01/2024), each with a calendar icon. Below this, a section titled 'Monthly Sales Report' displays a logo for 'SPICE PANDA' and the address 'No 122, Dutugemunu st., Kohuwala. Tel: 011 270 7508'. It also shows the start date (2024/01/01), end date (2024/01/31), and year (2024). A table lists sales data for six items: Stir fried noodles, Tom yung goong, Kung pao chicken, Thai fried rice, Spicy seafood salad, and Sushi. The table has columns for Item ID, Item, Unit Price (Rs.), Total Orders, and Total Sales (Rs.). At the bottom right are 'Generate Report' (orange), 'Print' (blue), and 'Print' (blue with a printer icon) buttons.

Item ID	Item	Unit Price (Rs.)	Total Orders	Total Sales (Rs.)
M001	Stir fried noodles	1700.00	211	358,700.00
M002	Tom yung goong	1200.00	117	140,400.00
M003	Kung pao chicken	1200.00	71	85,200.00
M004	Thai fried rice	1500.00	159	238,500.00

Interface Number: 71

Interface Name: Employee list interface

Description : This is the interface where manager can view existing employees.

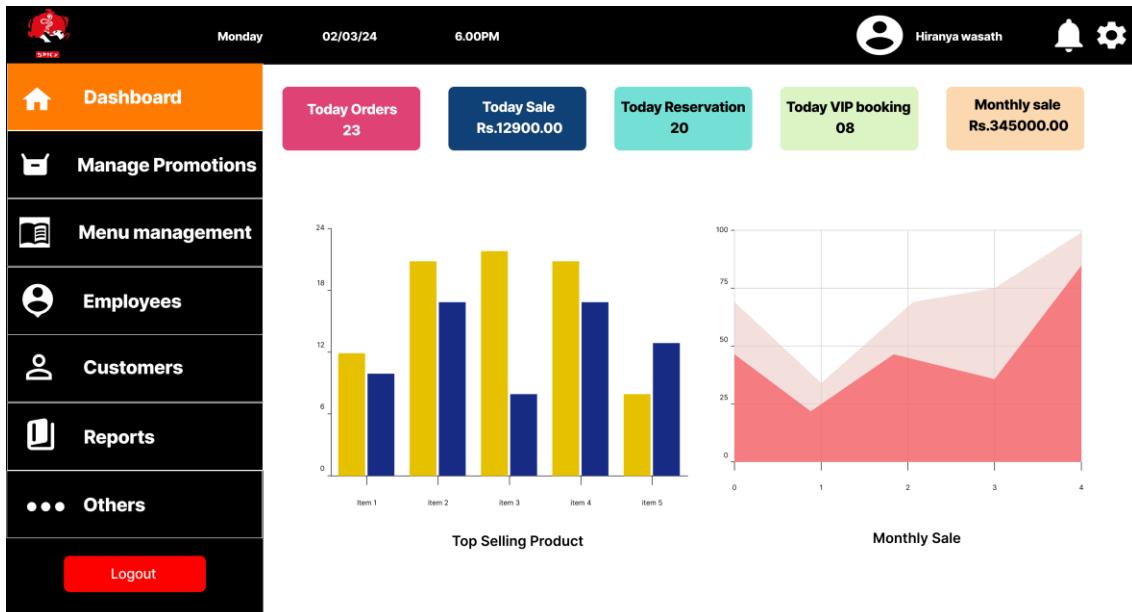

The screenshot shows a user interface for managing employees. On the left is a vertical sidebar with icons and labels: Dashboard (home icon), Manage orders (receipt icon), Reservation (house icon), Menu management (book icon), Employees (person icon), Customers (person icon), and Reports (document icon). Below the sidebar is a red 'Logout' button. The main content area has a header with the date 'Monday 02/03/24' and time '6.00PM'. It also includes a user profile 'Hiranya wasath', a bell icon, and a gear icon. Below the header are two buttons: 'Employee List' (green) and 'Employee Account' (orange). To the right of these buttons are 'Add New Employee' (orange), 'Print' (blue), and a search bar with placeholder 'Search....' and a magnifying glass icon. The central part of the screen displays a table with the following data:

Telephone	Employee ID	Employee Name	Status	Employee Image	Employee Position
0716067564	EMP001	Sandini	Active		Kadana
0716067564	EMP002	Sandini	Active		Kadana
